Who will be there?

Lots of new friends! Whether you come to retreat knowing everyone there, or no one at all, you can be sure to walk away with great new friends! People often share that they met lifelong friends during their senior retreat. There will also be a team of trained adults and young adults to help lead and guide you through the experience.

I'm not sure I want to miss school & work. Is this retreat really worth it?

While 4 days may seem like a lot of time away from all the other things fighting for your attention during your senior year, this retreat is without a doubt MORE THAN WORTH IT! Check out the comments from past senior retreat participants on the next page...as you can see, many people share that this retreat was the best experience of their high school career, was life changing, and set them on the right path before college. **This is one experience that you do not want to miss! Trust us!**

Life Changing!

A comment often shared by past participants is that this retreat was the weekend that

changed their lives! It's a time to wake up and stop going through the motions! God's only desire is for you to know Him and love Him. Over this four day, three-night retreat, you will have ample opportunities to rediscover and deepen God's awesome loving presence in every area of your life. You've heard of Christ's redeeming love as expressed on the cross. Learn how to embrace it as your own. Come be awakened into a deeper relationship with Jesus and our Catholic faith. Open to grade 12.
